It is our pleasure to turn the spotlight on DeScale-It products in this issue. Not only does the company have many happy and satisfied customers, but also this is an Arizona company, located in Tucson.

The Descal-It® Products Company is committed to producing effective, Earth-friendly products. For example, Descal-It Lime-Eater® was the first product in its class to be Green Cross Certified by Scientific Certification Systems as 100 percent biodegradable.

For our boating readers, a Descal-It product that has been so successful in wa-

tercraft cleaning is their Watercraft Spot Remover. The following are only some of its commendable features:

- This product removes unsightly water spots.
- It removes alkaline build-up with ease.
- Watercraft Spot Remover won't scratch or cloud surfaces.
- It beautifully shines stainless steel and chrome.
- This product is user-friendly with no scrubbing, no fumes, no gloves.
- Watercraft Spot Remover is certified 100 percent biodegradable.

And, since boaters have had such outstanding results from this Descal-It product, they may want to try some of the other cleaners offered by Descal-It; these items in their Variety Pack are a good way to start experiencing the cleaning pleasure of other items.
