**About the Film:** *The Soloist* is a biographical drama about real-life musical prodigy Nathaniel Anthony Ayers, played by Jamie Foxx, who dropped out of Julliard after developing schizophrenia and became a homeless musician on the streets of Los Angeles. Journalist Steve Lopez, played by Robert Downey, Jr., discovers the former classical music prodigy, playing his cello on the streets. As Lopez endeavors to help the homeless man find his way back, a unique friendship is formed, one that transforms both their lives.
